### 1. INTRODUCTION

The purpose of this circular is to provide the Shareholders with information, among other things, on the resolutions to be proposed at the Annual General Meeting: (i) the re-election of the retiring Directors; (ii) the Share Issue Mandate; (iii) the Share Repurchase Mandate; (iv) the re-appointment of auditor; and (v) the declaration and payment of the Final Dividend out of the Share Premium Account and to give you notice of the Annual General Meeting.

### 2. PROPOSED RE-ELECTION OF RETIRING DIRECTORS

In accordance with Article 84(1) of the Articles of Association, at each annual general meeting one-third of the Directors for the time being (or, if their number is not a multiple of three, the number nearest to but not less than one-third) shall retire from office by rotation provided that every Director shall be subject to retirement at an annual general meeting at least once every three years.

Accordingly, Mr. Ting San Peter Lionel LEUNG (“**Mr. Leung**”), Mr. Yip Keung CHAN (“**Mr. Chan**”) and Mr. Ka Keung LAU *BBS, MH, JP* (“**Mr. Lau**”) shall retire from office by rotation as Directors at the Annual General Meeting and, being eligible, will offer themselves for re-election as Directors at the Annual General Meeting.

Details of the above retiring Directors who are subject to re-election at the Annual General Meeting are set out in Appendix I to this circular.

The Nomination Committee has reviewed the structure and composition of the Board, the confirmations and disclosures given by the retiring Directors, their qualifications, skills and experience, time commitment and contribution with reference to (i) the nomination principles and criteria set out in the Company’s Board Diversity Policy and Nomination Policy; (ii) the Company’s corporate strategy; and (iii) the independence of all Independent Non-executive Directors. The Nomination Committee has also taken into account the skill mix of the Board. Mr. Leung has extensive experience in developing and managing projects in The Mainland of China and overseas. Mr. Chan has substantial experience in finance and corporate governance. Mr. Lau has comprehensive experience in business management. With their professional experience and background, as well as their skills and knowledge, they would continue to provide valuable, objective and independent advice to the business development of the Company and contribute to the diversity of the existing Board.

Mr. Chan and Mr. Lau were appointed to the Board in 2021 and each confirmed that he met the independence criteria as set out in Rule 3.13 of the Listing Rules. During their tenure of office, they have been providing objective and independent views to the Company, and they remain committed to their independent role, with no other factors that may affect their independence. The Nomination Committee was satisfied that each of them has the required character, integrity and experience to continue fulfilling the role as an Independent Non-executive Director. The Board, through the assessment and recommendation by the Nomination Committee, has considered them to be independent.

Accordingly, the Nomination Committee has recommended to the Board, and the Board has accepted such recommendation, on the re-election of all the retiring Directors.

PricewaterhouseCoopers, which has audited the consolidated financial statements of the Company for the year ended December 31, 2025, will retire as the auditor of the Company at the Annual General Meeting, and being eligible, offer itself for re-appointment.

The Board, upon the recommendation of the Audit Committee, proposes to re-appoint PricewaterhouseCoopers as the auditor of the Company and to hold office until the conclusion of the next annual general meeting of the Company and authorize the Board to fix its remuneration.

### 6. DECLARATION AND PAYMENT OF THE FINAL DIVIDEND OUT OF THE SHARE PREMIUM ACCOUNT

As announced by the Company in its announcement dated March 12, 2026 regarding the annual results of the Group for the year ended December 31, 2025, the Board recommended the declaration and payment of the Final Dividend of HK12 cents per Share for the year ended December 31, 2025 (2024: HK10 cents).

As of the Latest Practicable Date, there were a total of 827,968,337 Shares in issue. Based on the number of issued Shares as of the Latest Practicable Date, the Final Dividend, if declared and paid, will amount to approximately HK\$99.4 million (approximately US\$12.7 million). Subject to the fulfilment of the conditions set out in the paragraph headed “Conditions of the Payment of the Final Dividend out of the Share Premium Account” below, the Final Dividend is intended to be paid out of the Share Premium Account pursuant to Article 134 of the Articles of Association and in accordance with the Companies Act.

As of December 31, 2025, based on the audited consolidated financial statements of the Group, the amount standing to the credit of the Share Premium Account was approximately US\$240.8 million. Following the payment of the Final Dividend, there will be a remaining balance of approximately US\$228.1 million standing to the credit of the Share Premium Account.

#### (a) Conditions of the Payment of the Final Dividend out of the Share Premium Account

The payment of the Final Dividend out of the Share Premium Account is conditional upon the satisfaction of the following conditions:

- (a) the passing of an ordinary resolution by the Shareholders declaring and approving the payment of the Final Dividend out of the Share Premium Account pursuant to Article 134 of the Articles of Association; and
- (b) the Directors being satisfied that there are no reasonable grounds for believing that the Company is, immediately following the date on which the Final Dividend is paid, unable to pay its debts as they fall due in the ordinary course of business.

---

## LETTER FROM THE BOARD

---

Subject to the fulfilment of the above conditions, the Final Dividend will be paid in cash on or around Friday, June 26, 2026 to the Shareholders whose names appear on the register of members of the Company on Tuesday, June 16, 2026, being the record date of determination of entitlements of the Final Dividend.

**The conditions set out above cannot be waived. If the conditions set out above are not satisfied, the Final Dividend will not be paid.**

**(b) Reasons for and effect of the payment of the Final Dividend out of the Share Premium Account**

The Board considers it appropriate to distribute the Final Dividend to reward the Shareholders for their continuing support. The payment of the Final Dividend out of the Share Premium Account does not involve any reduction in the authorized or issued share capital of the Company nor does it involve any reduction in the nominal value of the Shares or result in any change in the trading arrangements in respect of the Shares.

After taking into consideration of the existing cashflow of the Group, the Board considers that the Company has sufficient cash flow to pay the Final Dividend. The payment of the Final Dividend out of the Share Premium Account will not have any material adverse effect on the financial position of the Group.

The Directors consider that the proposed declaration and payment of the Final Dividend out of the Share Premium Account is in the interests of the Company and the Shareholders as a whole.

### **7. ANNUAL GENERAL MEETING AND PROXY ARRANGEMENT**

An announcement on the poll results will be published by the Company after the Annual General Meeting in the manner prescribed under the Listing Rules.

There is no Shareholder who has any material interest in the proposed resolutions, therefore none of the Shareholders is required to abstain from voting on such resolutions.

On a poll, every Shareholder present in person or by proxy or, in the case of a Shareholder being a corporation, by its duly authorized representative, shall have one vote for every fully paid Share of which he/she is the holder. A Shareholder entitled to more than one vote on a poll needs not use all his/her votes or cast all the votes he/she uses in the same way.

*The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Share Repurchase Mandate.*

## **1. LISTING RULES RELATING TO THE REPURCHASE OF SHARES**

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their securities on the Stock Exchange and any other stock exchange on which securities of the company are listed and such stock exchange is recognized by the Securities and Futures Commission of Hong Kong and the Stock Exchange, subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general mandate or by specific approval of a particular transaction.

## **2. SHARE CAPITAL**

As of the Latest Practicable Date, the issued share capital of the Company comprised 827,968,337 Shares.

Subject to the passing of the ordinary resolution of granting of the Share Repurchase Mandate and on the basis that the issued share capital of the Company remains unchanged on the date of the Annual General Meeting, i.e. being 827,968,337 Shares, the Directors would be authorized under the Share Repurchase Mandate to repurchase, during the period in which the Share Repurchase Mandate remains in force, a total of 82,796,833 Shares, representing 10% of the total number of Shares in issue (excluding the Treasury Shares, if any) as of the date of the Annual General Meeting.

With effect from June 11, 2024, the Listing Rules has been amended to introduce flexibility for listed companies to cancel shares repurchased and/or hold repurchased shares as Treasury Shares. Following such changes to the Listing Rules, if the Company repurchases Shares pursuant to the Share Repurchase Mandate, the Company may (i) cancel the repurchased Shares and/or (ii) hold such Shares as Treasury Shares, subject to market conditions and the capital management needs of the Company at the relevant time such repurchases of Shares are made.

For any Treasury Shares deposited with CCASS pending resale on the Stock Exchange, the Company shall (i) procure its broker not to give any instructions to HKSCC to vote at general meetings of the Company for the Treasury Shares deposited with CCASS; and (ii) in the case of dividends or distributions, withdraw the Treasury Shares from CCASS, and either re-register them in its own name as Treasury Shares or cancel them, in each case before the record date for the dividends or distributions, or take any other measures to ensure that it will not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as Treasury Shares.

### **3. REASONS FOR SHARE REPURCHASE**

The Directors believe that it is in the best interests of the Company and Shareholders as a whole for the Directors to receive the general authority from the Shareholders to repurchase Shares in the market. Repurchases of Shares will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole. When exercising the Share Repurchase Mandate, the Directors may, subject to market conditions and the Company's capital management needs at the relevant time of the repurchase, resolve to cancel the Shares repurchased following settlement of any such repurchase or hold them as Treasury Shares. Shares repurchased for cancellation may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share. On the other hand, Shares repurchased and held by the Company as Treasury Shares may be resold on the market at market prices to raise funds for the Company, or transferred or used for other purposes, subject to compliance with the Listing Rules, applicable laws of the Cayman Islands and the regulations set out in the memorandum and articles of association of the Company.

### **4. FUNDING OF SHARE REPURCHASE**

Repurchase made by the Company pursuant to the Share Repurchase Mandate may only be funded out of funds legally available for the purpose in accordance with the Articles of Association and the applicable laws of the Cayman Islands.

It is presently proposed that any repurchase of the Shares would be made out of profits of the Company or the proceeds of a fresh issue made for the repurchase or out of capital provided that on the day immediately following the date of repurchase the Company is able to pay its debts as they fall due in the ordinary course of business.

### **5. IMPACT OF SHARE REPURCHASE**

On the basis of the financial position of the Company as of December 31, 2025 (being the date of its latest audited accounts), the Directors consider that there is no material adverse impact on the working capital or gearing position of the Company if the Share Repurchase Mandate is exercised in full during the proposed repurchase period. However, the Directors do not intend to exercise the Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital or the gearing position of the Company which in the opinion of the Directors is from time to time appropriate for the Company.

## 7. GENERAL

None of the Directors nor, to the best of their knowledge and having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules), have any present intention to sell any Shares to the Company, if the Share Repurchase Mandate is approved by the Shareholders at the Annual General Meeting.

No core connected persons (as defined in the Listing Rules) of the Company have notified the Company that they have any present intention to sell any Shares to the Company, or have undertaken not to do so, if the Share Repurchase Mandate is approved by the Shareholders at the Annual General Meeting.

The Directors will exercise the Share Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Cayman Islands.

Neither the explanatory statement in this Appendix II nor the proposed Share Repurchase Mandate has any unusual features.

**8. TAKEOVERS CODE**

If as a result of a repurchase of Shares pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

To the best knowledge and belief of the Directors, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of an exercise of the proposed Share Repurchase Mandate.

**9. SHARES REPURCHASE MADE BY THE COMPANY**

No repurchase of Shares had been made by the Company in the six months preceding the Latest Practicable Date.
